We're having a party for Little Bear,  
but don't you tell him, oh, don't you dare!

I have a bunch of red, red roses  
that bears love to smell  
with their little pink noses.

We've got balloons of pink, green, and blue,  
but don't let them go whatever you do!

We've got some presents, but better  
beware. He'll tear the paper,  
that Little Bear!

I've got a strawberry cake we can eat.

Isn't **anyone** ready for

a very sweet treat?

"I'm always ready," said Little Bear,  
"and there's enough for all to share."
