Five Little funny frogs dancing in the bog,  
leaped all around from log to log.

1

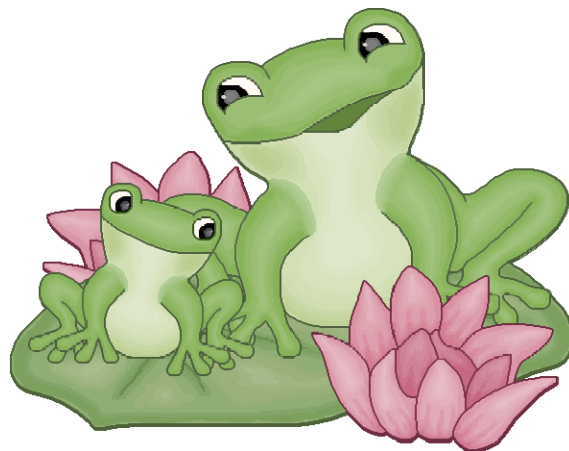

Five Little funny frogs dancing in the bog,  
leaped all around from log to log.

1

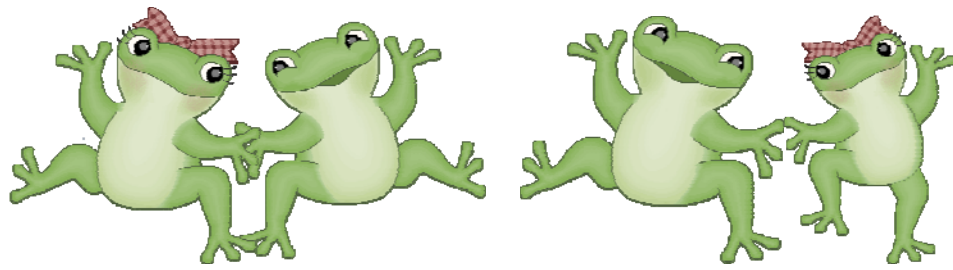

One little funny frog forgot to do a chore.  
Mama called him home and there were four.

2

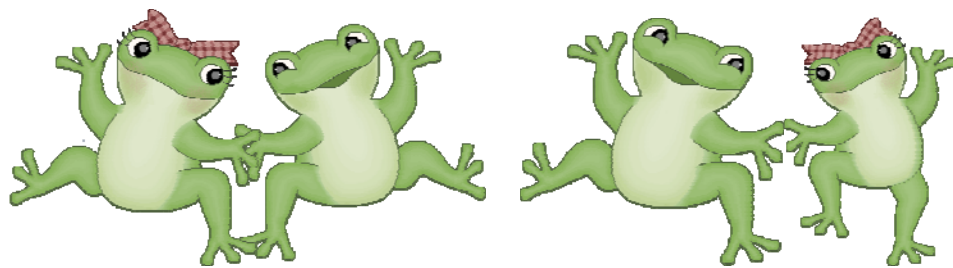

One little funny frog forgot to do a chore.  
Mama called him home and there were four.

2

Four little funny frogs dancing in the bog,  
leaped all around from log to log.

3

Four little funny frogs dancing in the bog,  
leaped all around from log to log.

3

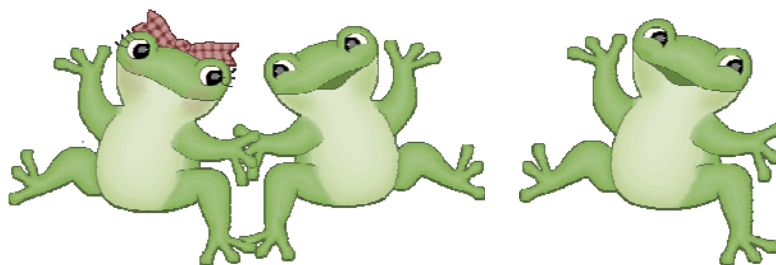

One little funny frog, as dirty as can be,  
had to take a bath and then there were three.

4

One little funny frog, as dirty as can be,  
had to take a bath and then there were three.

4

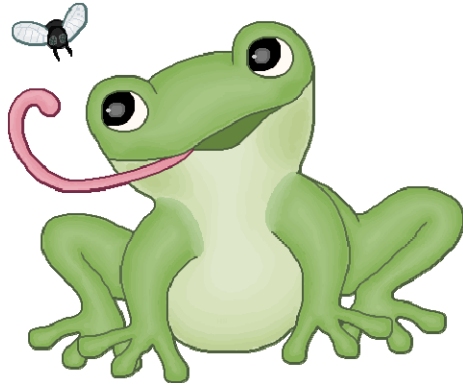

Three little funny frogs dancing in the bog,  
leaped all around from log to log.

5

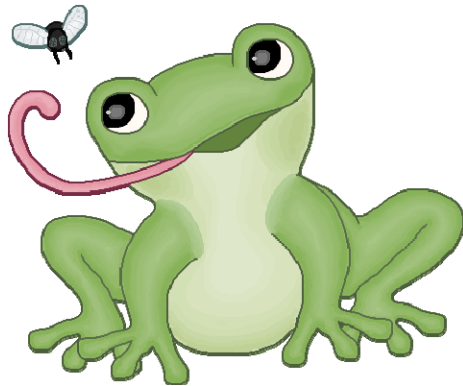

Three little funny frogs dancing in the bog,  
leaped all around from log to log.

5

One little funny frog, by the name of Sue,  
chased a mosquito and then there were two!

6

One little funny frog, by the name of Sue,  
chased a mosquito and then there were two!

6

Two little funny frogs dancing in the bog,  
leaped all around from log to log.

7

Two little funny frogs dancing in the bog,  
leaped all around from log to log.

7

One little funny frog, held the star he won,  
Went to show his mama and then there was one.

8

One little funny frog, held the star he won,  
Went to show his mama and then there was one.

8

One little funny frog dancing in the bog,  
Leaped all around from log to log.

9

One little funny frog dancing in the bog,  
Leaped all around from log to log.

9

That little funny frog said, "The rain has begun!"  
He went home and then there were none.
