Glitter and Glue

(Tune: Twinkle, Twinkle)

by Cherry Carl

I tried to make a card for you,
but it's a **gloppy** mess of **glitter** and **glue**!

I hoped that you would be so **glad**,
but my hopes just went from **glad** to bad.

Maybe I should wear a **glove**
when I make a card that's filled with love!

A Glacial Glass

(Tune: Yankee Doodle)

by Cherry Carl Artwork: www.toonclipart.com

This side of the globe just glows with heat,
and so I'd gladly take a treat.

Is someone there who'll really listen,
and give me a glacial glass that glistens?

I'll take a straw and gulp it down,
and make a gleeful slurping sound.

With glimmering cubes of glorious ice,
I'm thinking large would be so nice!

gl Shape Book

Directions: Duplicate one globe shape book for each child in the group. Staple several sheets of white bond behind the globe shape, staple at the top in the allotted spot. Allow children time to draw pictures of things that begin like globe. Children may dictate picture labels to the teacher/aide or make attempts to write their own. The teacher can write the correctly spelled under the child's invented spelling. Add the completed book to each child's collection of familiar reading.
