Written by Cherry Carl

said the happy man.

"Oh, no! Leaves will come down,"
said the sad man.

"Oh, no! Leaves will come down,"
said the mad man.

"Oh, no! Leaves will come down,"
said the grumpy man.

"Oh, no! Leaves will come down,"
said the tired man.

"Leaves will come down,"
said the happy woman.

"Leaves will come down,"
said the happy boy.

"Oh, no! **Big** leaves will come down!"
said the man.
