## $\because$ omino $\ldots . . .$.

Add the dots on each side of the dominoes below to complete the number sentence. Write the number sentence in the box on the right. The first one is done for you.

| 1. $\because \because 0=7$ | $3+4=7$ | $2 .$ |  |
| :---: | :---: | :---: | :---: |
| 3. $\because \because=$ |  | 4. $\because \because \because=$ |  |
| 5. $\because \because \because=$ |  | 6. |  |
| $\begin{aligned} & 7 . \\ & \because \because \cdots \\ & \because \because 0 \end{aligned}=$ |  | $\begin{aligned} & 8 . \\ & \because \because . . .0 \\ & \square \end{aligned}=$ |  |
| 9. |  | $\begin{aligned} & 10 . \\ & \cdots \cdots . . . \\ & \cdots .01 .0 \end{aligned}=$ |  |
| 11. |  | $\because \because \because \because=$ |  |

Fill in the blank dominoes to finish the pattern:
