Rub-a-dub dub, a boy in a tub,  
and why do you think he's there?  
His mom will scrub and scrub some more,  
and then she'll wash his hair!

Rub-a-dub dub, a dog in a tub,  
and why do you think he's there?  
He rolled in the mud with a pal named Bub.  
Those two are quite a pair!

Rub-a-dub dub, a girl with a club,  
and why do you think she's there?  
She's playing golf with girls in her club  
on a day that's sunny and fair.

Rub-a-dub dub, a girl with a cub,  
and why do you think it's there?  
She gives her bear a hug and a rub,  
and carries it everywhere!

Rub-a-dub dub, Dad's trimming the shrub,  
and why do you think he's there?  
Mom is meeting with her book club,  
and Dad just wants to prepare.

Rub-a-dub dub, a boy with some grub,  
and what do you think he feels?

He'd much rather have a super sized **sub**  
for all of his lunchtime meals.
