Q is for queen,

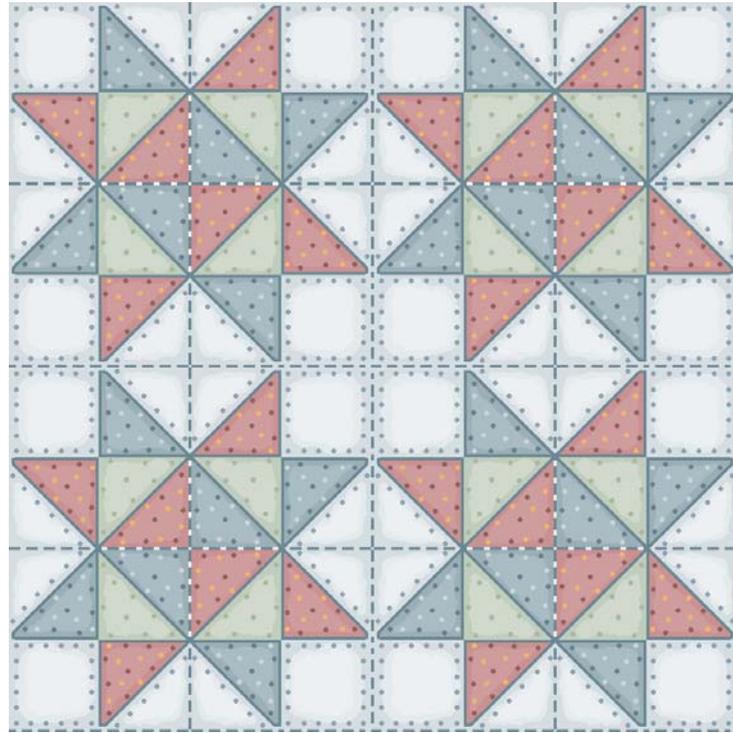

and quietly sleep  
without a peep,

for quacking ducks,

for quarts of milk  
to help us sleep,

and comfy quilts,  
so soft and deep.

Q is for questions  
and thinking quick

on quizzes with answers  
for you to pick!

How many of these "q" words  
can you find in the story?

quacking

quick

quarts

quietly
