S is for Santa,

and s is for snow.

S is for skis.

Just watch me go!

S is for snowman,

and s is for skate.

Please, dear Santa,  
don't be late!

S is for star,  
shining so bright,

and now it's time to say,  
"Good night!"

How many of these "s" words  
can you find in the story?
