Big tree, big tree,  
what do you see?

I see a brown bear  
looking at me.

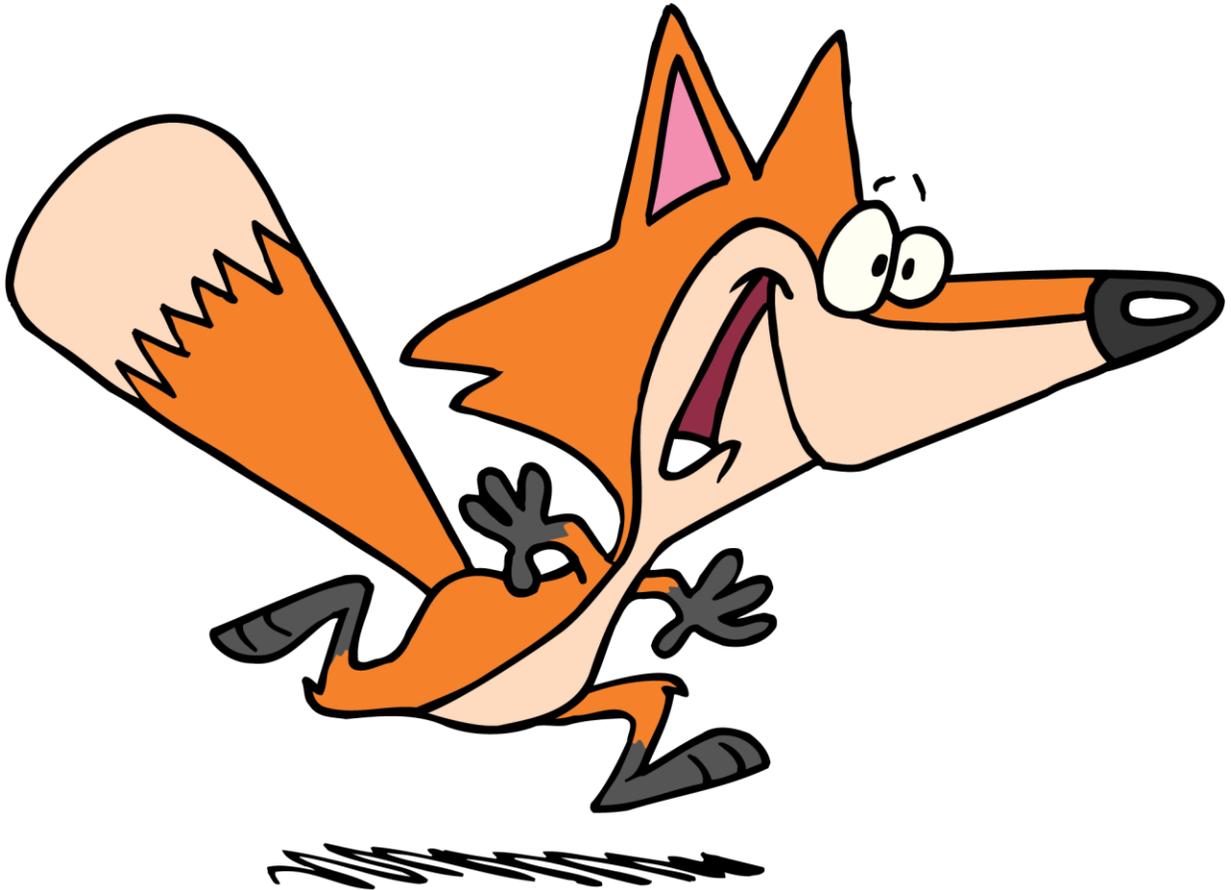

Brown, bear, brown bear,  
what do you see?

I see a frightened deer  
looking at me.

Frightened deer, frightened deer,  
what do you see?

I see a funny fox  
looking at me.

Funny fox, funny fox,  
what do you see?

I see a robber raccoon  
looking at me.

Robber raccoon, robber raccoon,  
what do you see?

I see a bouncing bunny  
looking at me.

Bouncing bunny, bouncing bunny,  
what do you see?

I see a silly squirrel  
looking at me.

Silly squirrel, silly squirrel,  
what do you see?

I see a hooting owl  
looking at me.

Hooting, owl, hooting owl,  
what do you see?

I see three skunks . . .

as smelly as can be!
