Clash or Class?
(Tune: The Mulberry Bush)
Cherry Carl                Artwork: www.toonclipart.com

My classy stripes are my claim to fame,
but I’m clearly tired of wearing the same
clothes with stripes around the clock,
which shouldn’t surprise or even shock!

I think I’ll try a clever change
and only hope it isn’t strange.

Do I have class or does it clash?

Clue me in if it looks like trash!

Directions: Duplicate one clock shape book for each child in the group. Staple several sheets of white bond behind the clock shape, staple at the top in the allotted spot. Allow children time to draw pictures of things that begin like clock. Children may dictate picture labels to the teacher/aide or make attempts to write their own. The teacher can write the correctly spelled under the child’s invented spelling. Add the completed book to each child’s collection of familiar reading.
