What would we see if we were to go for a walk in the woods in November?

1

What would we see if we were to go for a walk in the woods in November?

1

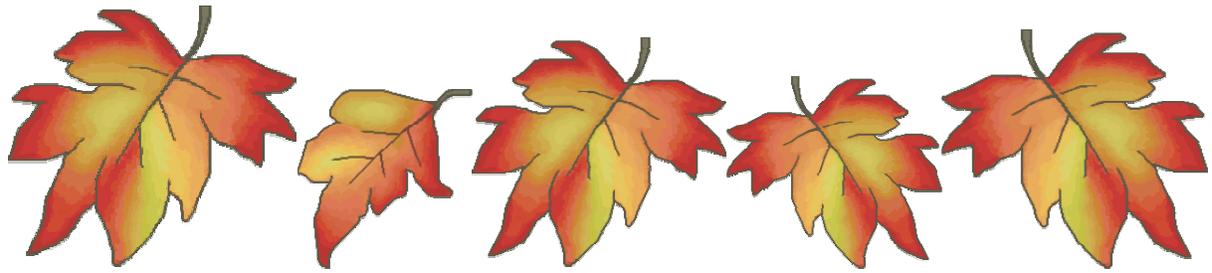

What will we see in the tall, tall trees...

2

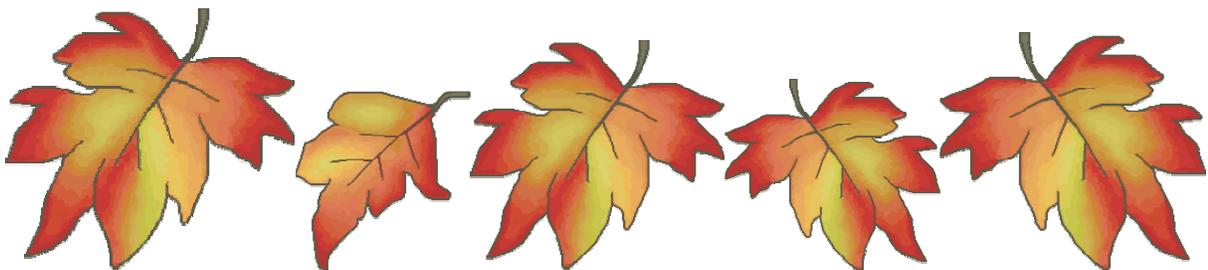

What will we see in the tall, tall trees...

2

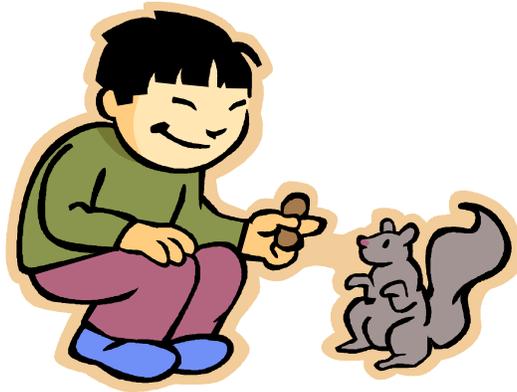

and under the leaves on the ground?

3

and under the leaves on the ground?

3

If we look up high into the tops of the trees,  
what do we see? We see so many gray squirrels  
getting ready for the winter.

4

If we look up high into the tops of the trees,  
what do we see? We see so many gray squirrels  
getting ready for the winter.

4

We see many colored leaves on the ground.  
We can see acorns and pinecones under  
the leaves. It must be fall!
