My New Phone!

It's here at last! It's my new phone!
It's something that I've wanted to own!
It's better than a phonograph,
and easier than a telegraph!
I can find you on this map.
All I need is one new app!
Should I call or should I text?
Whatever will they think of next?

What if . . . ?

Imagine the look on an alien's face
if he landed on Earth from outer space!
Cell phones here and cell phones there.

Cell phones absolutely everywhere!
What would he do if he heard one ring?
He would, of course, pick up the thing!
What would he say and what would he do?
I don't know. What about you?

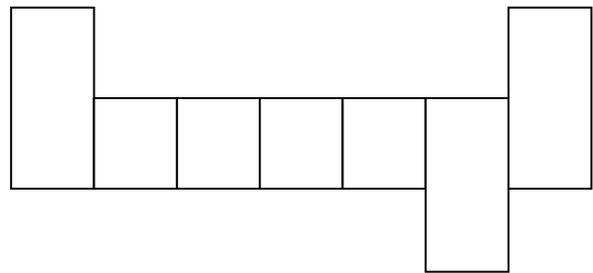

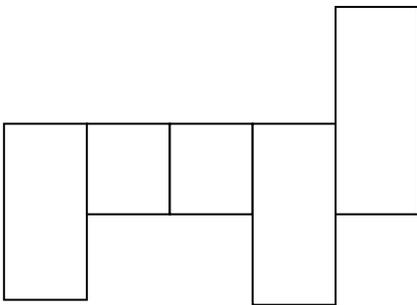

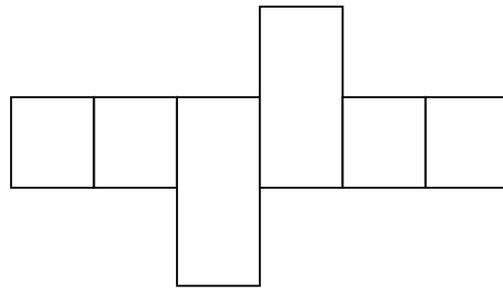

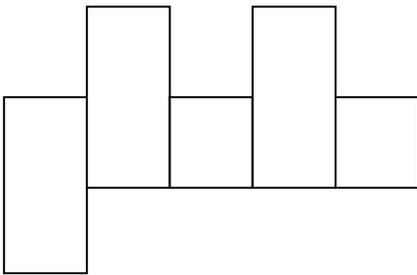

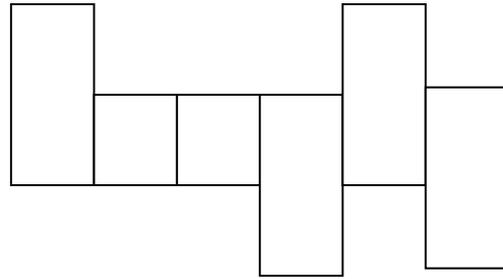

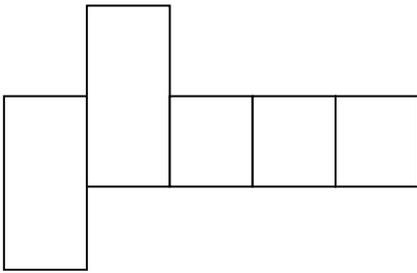

It's a Match!

Look at the words and pictures below. Cut out each picture and word that match and glue them together in the boxes provided.
