

Roll a Burger Dice Game

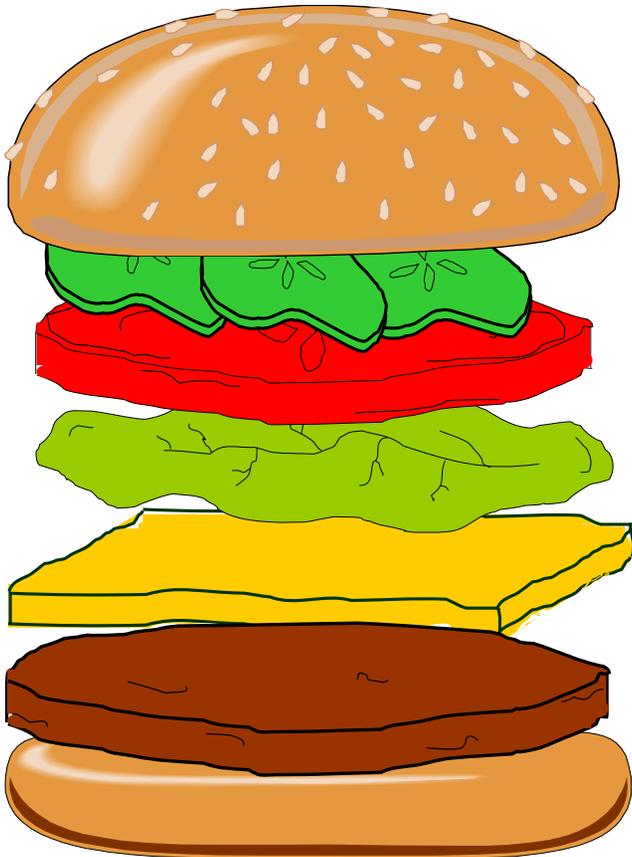

Created by Cherry Carl, 2007

Materials Needed:

Dice

One set of precut burger parts per child

Directions Sheet

Preparation:

Print burger parts in color on vellum.

Laminate and cut out.

Glue Directions Sheet to large envelope for storage and include individual sheets in envelope.

To Play:

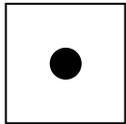

Students take turns rolling the dice to build a burger. They have to refer to the Directions Sheet to determine which piece of the burger they get for each roll of the dice. For instance, if they roll a one, they get one part of the bun.

Option:

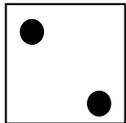

Change the Directions Sheet to make it an adding game.
