"Daisies are fun," says this little cow.  
"Come and play with me right now!"

"I'm going to have a cup of tea.  
Come and have a cup with me!"

"I put a daisy in my hair,  
and I can wear it anywhere!"

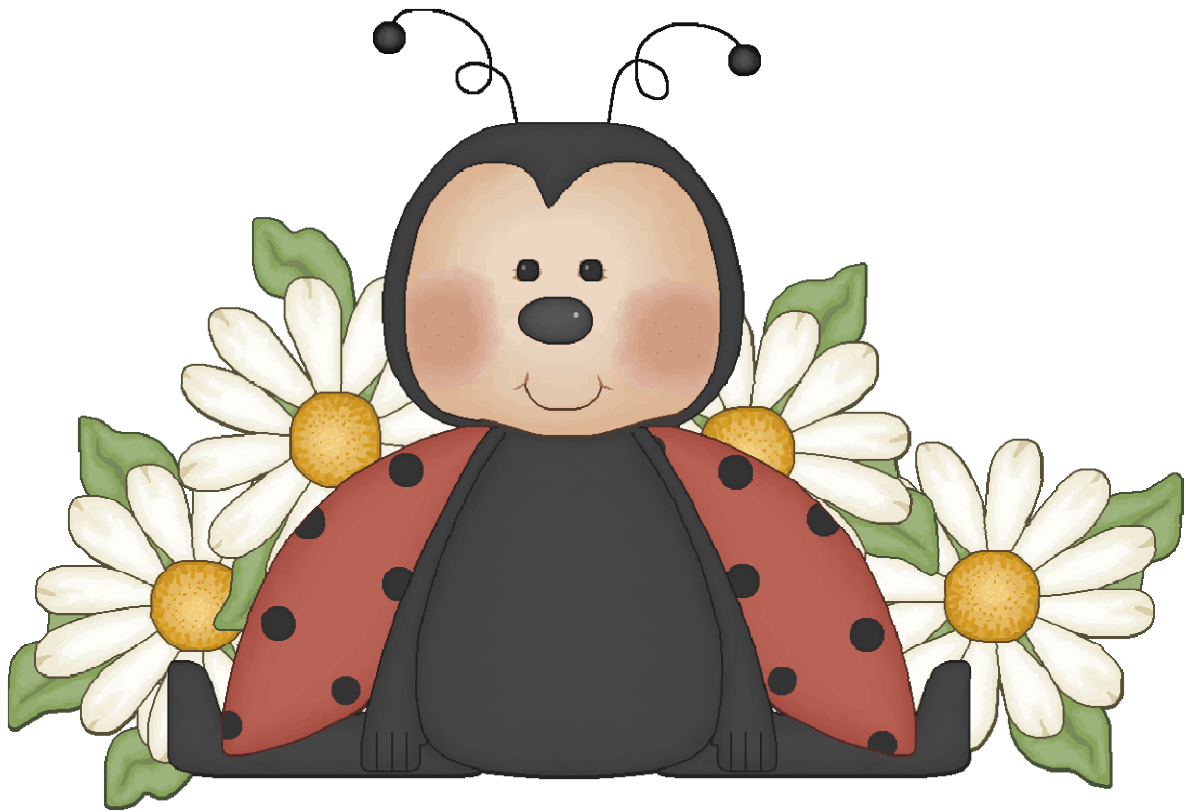

"I have a daisy on my dress.  
Do you like it? Please say yes!"

"I have a daisy in my paw.  
I think I'll give it to my ma!"

"The daisy is my favorite flower,  
so I could sit here for an hour!"

"I love daisies in the spring.  
They always make me want to sing!"

"I made a frame for Daisy Day.  
Now I'll go outside to play!"

The End!
