

Plural Play

(Tune: London Bridges)

Drop the y for ies,
ies,
ies.

Drop the y for ies,
To make it plural!

Families is more than one.

It could be

Two or three!

We dropped the y in **family**

To make it plural!

Discoveries is more than one.

We've just begun

To have some fun.

We dropped the y in **discovery**

To make it plural!
