

The Rainbow Fish

Syllable Sorts Activity

Developed by Cherry Carl
Illustrations by Ron Leishman

Syllable Sorts Activity

- Duplicate the sorting mats and cards on cardstock.
- Laminate for durability and cut apart.
- Store each set in an envelope with a matching label.
- Introduce the activity in small groups before placing in a literacy center for independent practice. Make sure that children understand what each picture represents.
- This activity can be done in pairs for cooperative practice.
