The cat and the fish are **not** friends.

The cat and the fish are **not** friends.

I want to play with you.

The cat said, "I want to play with you."

2

I want to play with you.

The cat said, "I want to play with you."

2

I do not like you! You can not play in my bowl.

The fish said, "I do not like you! You can not play in my bowl."

3

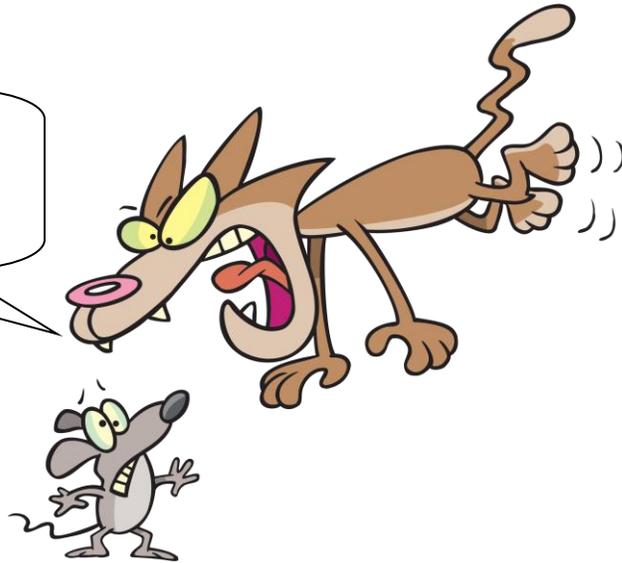

I do not like you! You can not play in my bowl.

The fish said, "I do not like you! You can not play in my bowl."

3

I want to play with you.

The cat said, "I want to play with you."

4

I want to play with you.

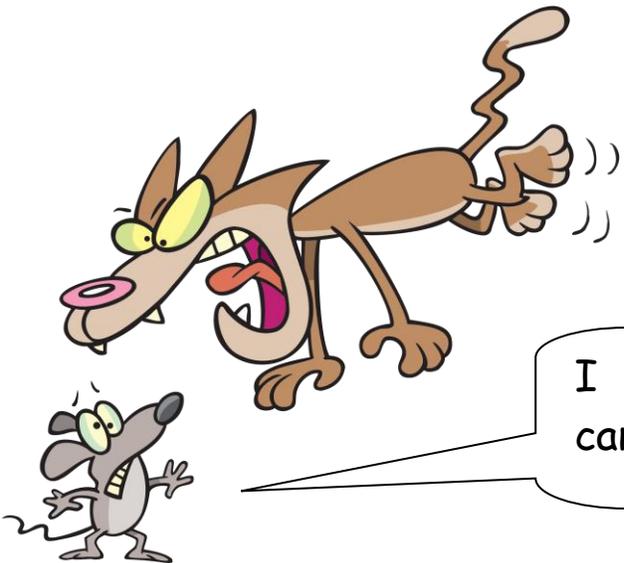

The cat said, "I want to play with you."

4

I do not like you! You can not play with me.

The mouse said, "I do not like you! You can not play with me."

I do not like you! You can not play with me.

The mouse said, "I do not like you! You can not play with me."

The cat said, "I want to play with you,
and so they did!"

6

The cat said, "I want to play with you,
and so they did!"
