

The Ore Family Album

ZZZ

Written by Cherry Carl, 2006

This book belongs to

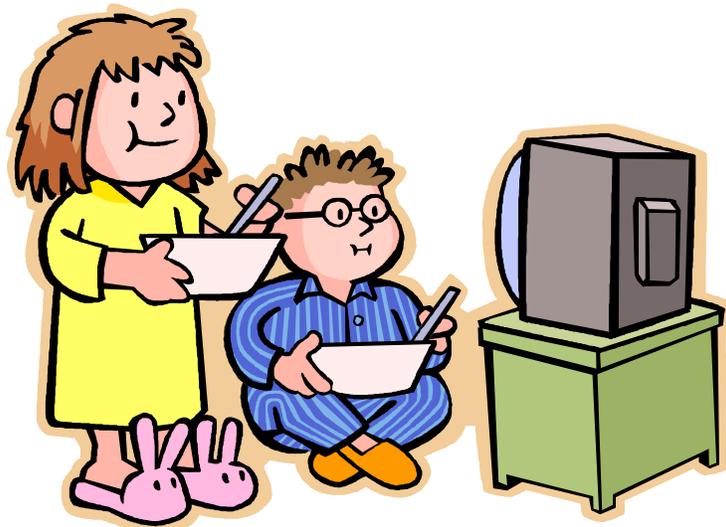

I belong to a family, a family called **ore**.

1

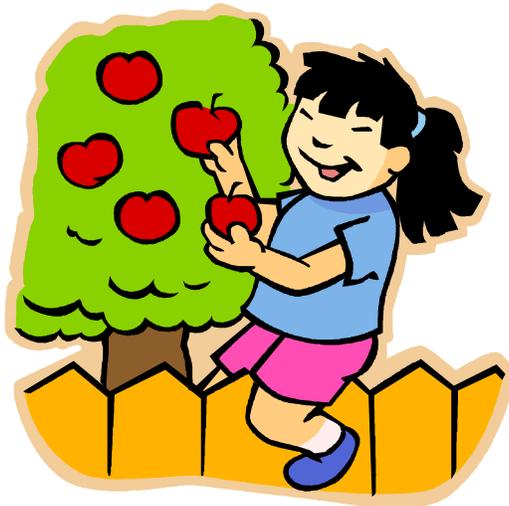

When I go to bed, I always **sno**re.

2

When we finish this, may we have **more**?

3

When I eat this apple, I'll have a **core**.

4

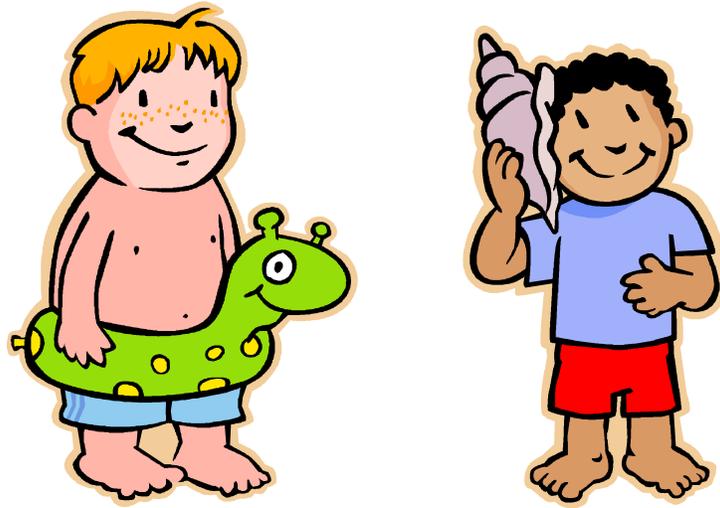

When I dry the dishes, I've done my chore.

5

When I'm outside, I like to explore.

6

When summer comes, we go to the shore.

7

Here's a bully I try to ignore!
