

# If I Made a Zillion Million . . .

Cherry Carl

If I made a zillion million dollars,  
Everyone would hear my hoots and hollers!  
But what would I do with all that money?  
I really don't know and that seems funny!

I'd be the richest person on earth  
If I was really, really worth  
More money than I could ever count,  
So I'll just settle for a smaller amount!
