

Smaller Dollar!

Cherry Carl

Getting rich means having lots of money.
Grandma gives me some . . . and calls me "honey."
But staying rich requires some knowledge
If you want to pay for college.

On Sunday last, I got a dollar,
Not enough to be a scholar!
I planned to save it for a while,
but downtown had a gumball pile!

That was how it all began,
The ending of my savings plan!
My dollar bill got small and shrank!
No pennies in my piggy bank!

Pennies, nickels, quarters, dimes.
I spent them all in record time!
