We can see sunflowers growing
in the fall.

1

We can see sunflowers growing
in the fall.

1

We can see pumpkins growing
in the fall, too.

2

We can see pumpkins growing
in the fall, too.

2

We can see jack-o-lanterns
in the fall.

3

We can see jack-o-lanterns
in the fall.

3

We can see trick-or-treating
in the fall.

4

We can see trick-or-treating
in the fall.

4

We can see Thanksgiving
celebrations in the fall.

5

We can see Thanksgiving
celebrations in the fall.

5

We can see leaves changing
in the fall.

6

We can see leaves changing
in the fall.

6

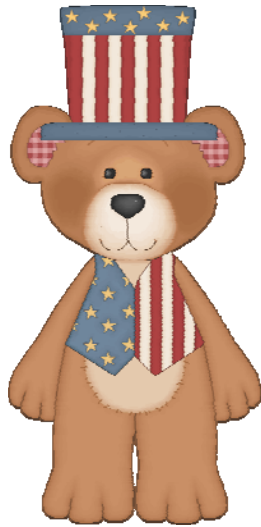

We can see scarecrows
in the fall.

7

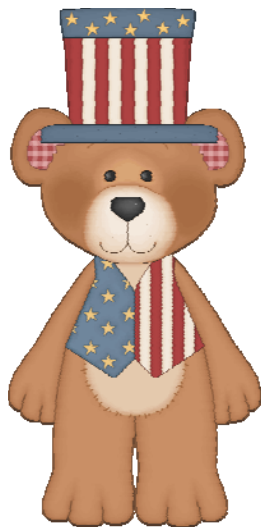

We can see scarecrows
in the fall.

7

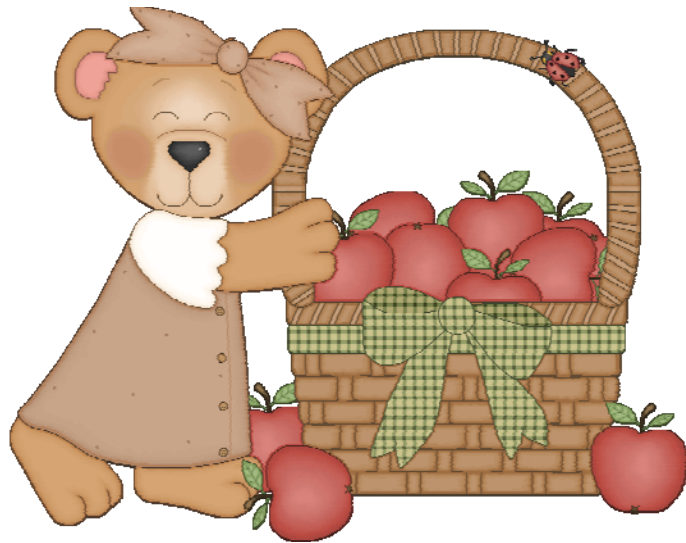

We can see voting
in the fall.

8

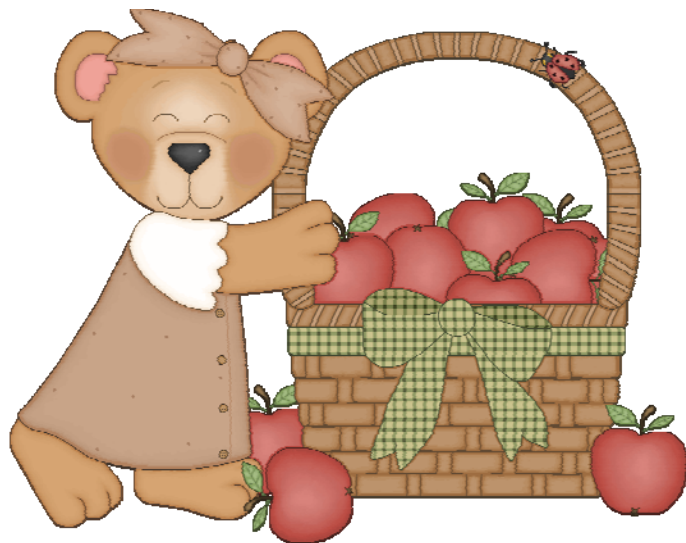

We can see voting
in the fall.

8

We can see apples
in the fall.

9

We can see apples
in the fall.

9

We can see animals collecting
acorns in the fall.

10
