

How Many Syllables?

Fall Count and Sort

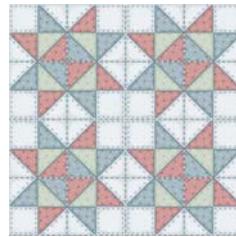

Directions:

This little pilgrim is going to need lots of pumpkins this Thanksgiving. Reproduce the materials on cardstock and laminate for durability. Attach the label above and the graphic on the left to the folder or envelope that will store the materials. Children count the number of syllables for each picture and match them to the pilgrim with the right number.

Note: I tried to include fall/Thanksgiving/harvest type pictures for this syllable counting activity while using one source for clipart. Because I think of quilting bees and handmade things when I think of the pilgrims, I included pictures for those. I just couldn't locate more 4 syllable pictures!

Word list: (1) leaf, crow, thread, quilt, farm and knit; (2) scarecrow, pilgrim, pumpkin, apple, turkey, acorns; (3) sunflower, blueberries, apple pie, vegetables, cup of tea, Indian; (4) needle and thread, watermelon.
