

# Thematic Syllable Sorts

Duplicate the sorting mats and cards on cardstock.

Laminate for durability and cut apart.

Store each set in an envelope with a match label.

Introduce the activity in small groups before placing in a literacy center for independent practice. Make sure that children understand what each picture represents.

The image shows a title card for a 'Seashore Syllable Sort' activity. The card has a blue background with a repeating pattern of white seashore icons, including fish, seahorses, and shells. A central yellow rectangle contains the title text in a black, bold, sans-serif font. The text is arranged in two lines: 'Seashore' on the top line and 'Syllable Sort' on the bottom line.
