Valentine, Valentine,
what do you see?

I see white dots
looking at me.

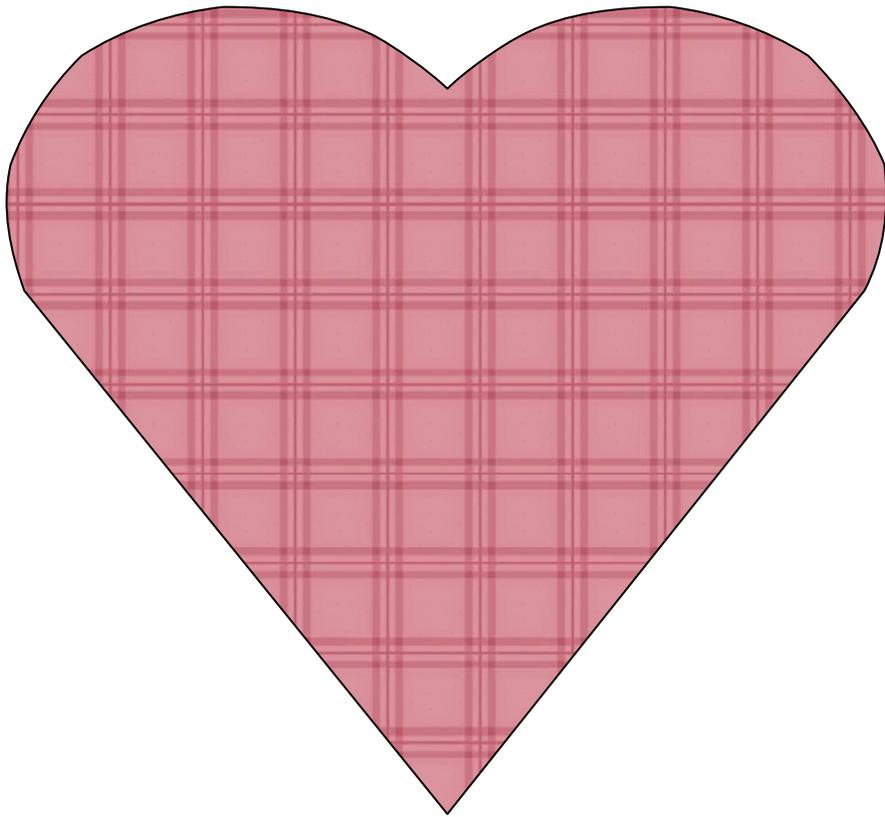

White dots, white dots,
what do you see?

We see red checks
looking at us.

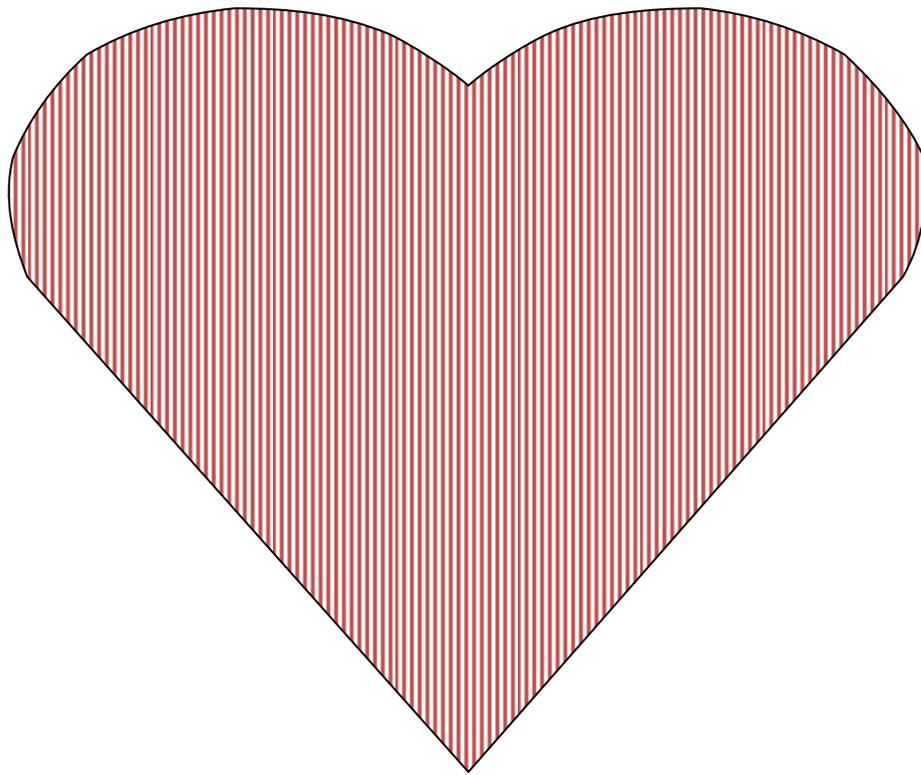

Red checks, red checks,
what do you see?

We see pink plaid
looking at us.

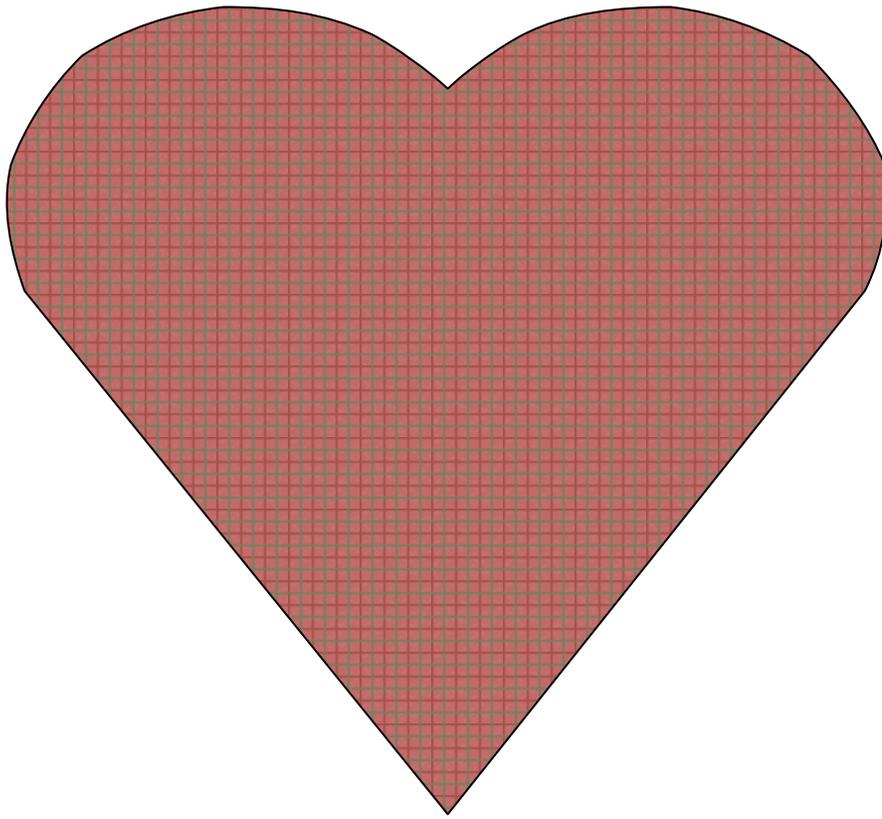

Pink plaid, pink plaid,
what do you see?

I see red stripes
looking at me.

Red stripes, red stripes,
what do you see?

We see red plaid
looking at us.

Red plaid, red plaid,
what do you see?

I see Cupid
looking at me!

That's what I see!
