Short Vowel Bingo

Directions:

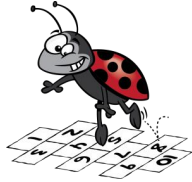

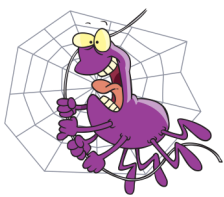

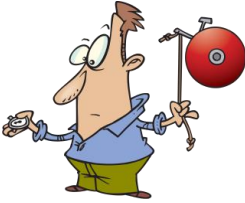

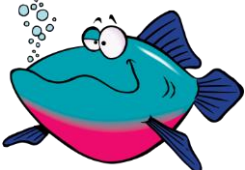

Reproduce all of the materials on cardstock and laminate for durability. Review and read the word cards and place them in a pocket chart. Children may match the picture cards for pre-teaching.

Show the children a word card and give them time to find the appropriate picture to cover. The teacher may decide what determines a winning game: four corners, vertical, horizontal, diagonal, etc.

Please note that these pictures/words are all CVC words from the Toons Word Family Sets.

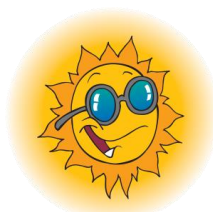

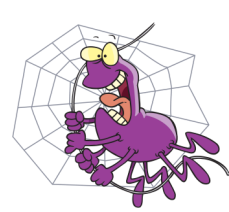

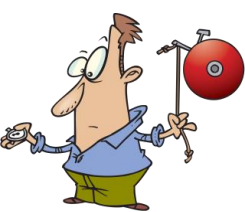

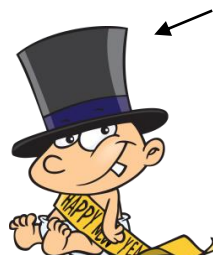

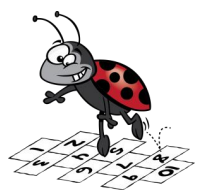

Any suggestions for other ways to play are welcome!
