# It's a Rainy Day!

Sing Along Song (Row, Row, Row Your Boat)  
Cherry Carl                      Artwork: art4crafts.com

It's a rainy day,  
Time for puddly play.  
Squish! Squash! Squiggle! Squirt!  
Under skies of gray.  
He squeezes mud between his toes,  
Then in the tub he goes.  
Squish! Squash! Squiggle! Squirt!  
And then he changes clothes!

# Isn't it Raining Yet?

(Tune: The Mulberry Bush)

We're prepared for rain this year . . .

Our mothers bought us all the gear

To keep us dry from head to toe,

Even though they really know

We like to get ourselves all wet.

Tell us, is it raining yet?!

We'd really like to go outside

So please don't keep us all inside!

# April Showers

Plop! Plop! Plop on my rooftop!

When do you think this rain will stop?

I have my umbrella and my raincoat, too,

But I want to know if it's really true

That rainy days and April showers

Really bring us May's new flowers!

# Thunderstorm

Black clouds overhead.

Thunder roars. Begin to count.

See how far away.

It's Raining!  
It's Pouring!

# Memory Game

Duplicate the cards on card stock and laminate for durability. Be sure to play this game with your students in small groups (2 or 3) before allowing them to play independently.

The purpose of this game is to make pairs following the traditional Memory or Concentration rules. The winner is the one with the most pairs. Children just love to play and to count the number of cards they accumulate during a game.

## Shape Books and Cards

Use the graphics on the following pages to create rainy weather cards or shape books. Reproduce for your children on card stock and place white bond behind for usable inside pages. Use a matching colored sheet of card stock for the back. Tie with a thin ribbon at the top and cut out all of the sheets together.
