

Four Little Penguins

Tune: Six Little Ducks
Cherry Carl

Four little penguins playing on the ice.
My, oh, my, don't they look nice?

When one little penguin tried to ski,
He fell down and then there were three!

Three little penguins playing on the ice.
My, oh, my, don't they look nice?

When another penguin tried it, too,
He fell down and then there were two! Boo Hoo!

Two little penguins playing on the ice.
My, oh, my, don't they look nice?
When one little penguin had skating fun,
He fell down and then there was one!

One little penguin playing on the ice.
My, oh, my, doesn't he look nice?
When that little penguin napped in the sun,
He overslept and then there were none!
