# Have You Ever?

(ow)

(Tune: The Bear Went Over the Mountain)

Have you ever seen a rainbow's end?

Don't you know it's around the bend?

Have you ever seen the flowers grow,

reaching tall in row after row?

Have you ever seen a glowworm fly,

lighting up the darkened sky?

Have you ever seen the winter snow,

as it blankets the ground below?

If you watch and listen, you soon will know

that nature has a special show!

Look for Mother Nature's glow,

and see her special talent show!
