I have looked so high and low  
for an answer I should know.

1

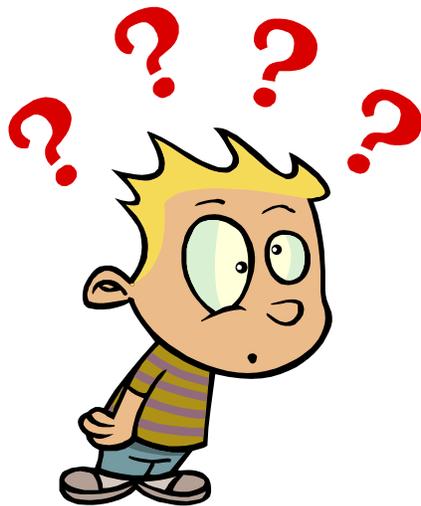

I have looked so high and low  
for an answer I should know.

1

I should learn to answer you.  
What did you say that I should do?

2

I should learn to answer you.  
What did you say that I should do?

2

Is there something I should learn?  
I give up and say, "Return!"

3

Is there something I should learn?  
I give up and say, "Return!"

3

I have looked so high and low.  
Where's my house? I want to know!

4

I have looked so high and low.  
Where's my house? I want to know!

4

If I'm not here, where can I be?  
I should know, don't you agree?

5

If I'm not here, where can I be?  
I should know, don't you agree?

5

Camel crossing? How and Why  
You can tell me, if you try!

6

Camel crossing? How and Why  
You can tell me, if you try!

6

Every sign should tell me where  
and how to get from here to there.

7

Every sign should tell me where  
and how to get from here to there.

7

Oh, my goodness and gee whiz!  
Tell me what the answer is!

Oh, my goodness and gee whiz!  
Tell me what the answer is!
