What would we see if we were to go for a walk in the woods in November?

1

What would we see if we were to go for a walk in the woods in November?

1

What will we see in the tall, tall trees...

2

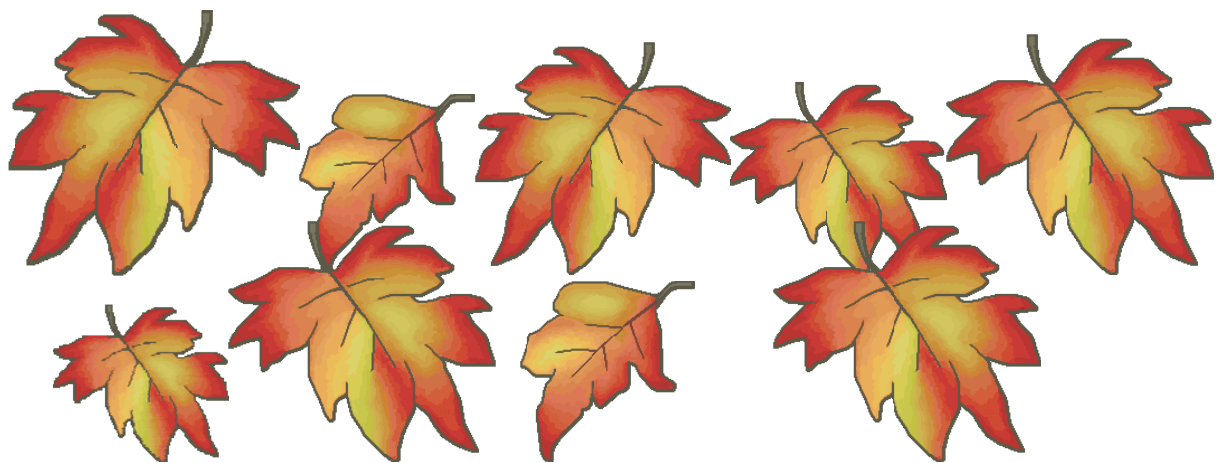

What will we see in the tall, tall trees...

2

and among the leaves on the ground?

3

and among the leaves on the ground?

3

If we look up high into the tops of the trees and on the ground, we will see birds and mice getting ready for the winter.

If we look up high into the tops of the trees and on the ground, we will see birds and mice getting ready for the winter.

We will see colored leaves on the ground,
and we will see acorns and pinecones among
the leaves. It must be fall!
